SEVEN SENSES DINNER

8th October 2013

Mr Robert Camilleri
Investment Manager
Realm Investment House
Suite 3, Level 6, 443 Lt Collins St
Melbourne VIC 3000

Dear Mr Camilleri

Thank you so much for your kind offer to be one of major sponsors for the Seven Senses Dinner on 1st November 2013. It is very much appreciated by Help Kids Like Nick and by the families with Wolf Hirschhorn Syndrome (WHS) in Australia who will benefit from the fundraising efforts.

The sense you are sponsoring is **BALANCE (EQUILIBRIUM)** . Please find attached your invoice.

Our first funding round has just been completed with four applicants with WHS to benefit from grants. **Charlotte (3)** & her parents will now be able to fly from their home in Darwin to Adelaide for an assessment for specialised Therasuit therapy to help her initiate walking. **Rachel (18)** and her mum from South Australia will be able to buy a Thermomix which will give her some freedom to cook by herself which she loves doing. **Samuel (16)** from Brisbane will receive assistance to pay for a week of respite care to give his Mum and Dad their first much needed holiday away since Samuel was born. Finally **Nick (18)** from Brisbane will receive funding to enable him to access more community activities, such as going to a movie or concert, and also to access essential in-home support.
