- Management fees of \$247,595 (30 June 2023: \$189,174) were payable at 31 December 2023.

Changes in State of Affairs

24 July 2023, the Responsible Entity issued a new PDS and AIB for the Fund. The changes allow the Investment Manager to invest in Foreign Issuers in addition to the current Australian and New Zealand Issuers.

On 2 November 2023, Realm High Income Fund fully redeemed its investments in the Fund's Internal Manager Units. On 1 December 2023, Realm Strategic Income Fund and Realm Strategic Wholesale Income Fund fully redeemed its investments in the Fund's Internal Manager Units.

During the half-year, there were no other significant changes in the state of affairs of the Fund.

Subsequent Events

There has been no matter or circumstance occurring subsequent to the end of the half-year that has significantly affected, or may significantly affect, the operations of the Fund, the results of those operations, or the state of affairs of the Fund in future financial periods.

Likely Developments

The Fund will be managed in accordance with the Constitution and investment objectives as detailed in its most recent Product Disclosure Statements.

Environmental Regulation and Performance

The operations of the Fund are not subject to any particular or significant environmental regulation under a law of the Commonwealth or of a State or Territory. There have been no known significant breaches of any other environmental requirements applicable to the Fund.

Indemnification of Directors, Officers and Auditors

During or since the half-year, the Fund has not indemnified or made a relevant agreement to indemnify an officer of the Responsible Entity or auditor of the Fund or any related corporate body against a liability incurred by an officer of the Responsible Entity or auditor of the Fund. In addition, the Fund has not paid, or agreed to pay, a premium in respect of a contract insuring against a liability incurred by an officer of the Responsible Entity or auditor of the Fund.

Auditor's Independence Declaration

A copy of the Auditor's Independence Declaration as required under Section 307C of the Corporations Act 2001 is set out on page 5.

Directors' Report (continued)

This report is made in accordance with a resolution of the directors of the Responsible Entity, One Managed Investment Funds Limited.

1 General Information

The Fund is an unlisted registered managed investment scheme. The responsible entity of the Fund is One Managed Investment Funds Limited (ABN 47 117 400 987; AFSL 297 042) (“OMIFL” or the “Responsible Entity”). The registered office and principal place of business of the Responsible Entity is Level 16, Governor Macquarie Tower, 1 Farrer Place, Sydney NSW 2000.

The Fund was constituted on 16 November 2017, registered as a managed investment scheme on 29 November 2017 and commenced operations on 14 December 2017.

The principal activities of the Fund is disclosed in the Directors’ Report.

The Fund elected into the Attribution Managed Investment Trust (“AMIT”) regime under the Taxation Laws Amendment (New Tax System for Managed Investment Trusts) Act 2016 on 30 June 2021 with effect from 1 July 2020. The Responsible Entity is therefore no longer contractually obligated to pay distributions. However, it intends to continue paying distributions as described in its PDS. Consequently, the units in the Fund have been reclassified from a financial liability to equity on 1 July 2020. In the years the Fund is AMIT compliant, and the Fund is unable to pay cash distributions, any taxable income attributed to unitholders should be reported as a tax cost base uplift in the attribution managed investment trust member annual (“AMMA”) statements.

The financial statements were authorised for issue by the directors on the date the Directors’ Declaration was signed. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

2 Adoption of New and Revised Accounting Standards

(a) New or amended Accounting Standards and Interpretations adopted in the current period

The Fund has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (‘AASB’) that are mandatory for the current reporting period.

(b) New Standards and Interpretations not yet adopted

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

3 Summary of Material Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(a) Statement of Compliance

The half-year financial report is a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 ‘Interim Financial Reporting’. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 ‘Interim Financial Reporting’. This half-year report does not include all the notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report and announcements made since that date.

(b) Basis of Preparation

This general purpose financial report has been prepared using the historical cost convention, except for the revaluation of investments in financial assets and liabilities, which have been measured at fair value.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within 12 months, except for certain investments in financial assets and net assets attributable to unitholders. The amounts expected to be received or settled in relation to these balances cannot be readily determined.

3 Summary of Material Accounting Policies (continued)

(b) Basis of Preparation (continued)

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the Fund's 2023 annual financial report for the financial year ended 30 June 2023.

All amounts are presented in Australian dollars as the functional and presentational currency of the Fund.

(c) Going Concern Basis

This half-year financial report has been prepared on a going concern basis.

Fair value hierarchy

Financial instruments carried at fair value are categorised under a three level hierarchy. Financial instruments are categorised based on the observable market inputs when estimating their fair value. If different levels of inputs are used to measure a financial instrument's fair value, the instrument's classification within the hierarchy is based on the lowest level of input that was significant to the fair value measurement.

Level 1:

Financial instruments are valued by reference to quoted prices in an active market(s) for identical assets or liabilities. These quoted prices represent actual and regularly occurring market transactions on an arm's length basis.

4 Investments in Financial Instruments (continued)

Level 2:

Financial instruments are valued using inputs other than quoted prices covered in Level 1. These other inputs include quoted prices that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices). The inputs included in this level encompass quoted prices in active markets for similar assets or liabilities, quoted prices in markets in which there are few transactions for identical or similar assets or liabilities. Financial instruments that are valued using other inputs that are not quoted prices but are observable for the assets or liabilities also fall into this categorisation.

Level 3:

Financial instruments that have been valued, in whole or in part, by using valuation techniques or models that are based on unobservable inputs that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Unobservable valuation inputs are determined based on the best information available, which might include the entity's own data, reflecting its assumptions as well as best practices carried out or undertaken by other market participants. These valuation techniques are used to the extent that observable inputs are not available.

The following table shows an analysis of financial instruments held at 31 December 2023 and 30 June 2023, recorded at fair value and presented by level of the fair value hierarchy:

There were no transfers between levels 1, 2 and 3 during the half-year ended 31 December 2023. The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

4 Investments in Financial Instruments (continued)

Valuation techniques used to derive level 1, level 2 and level 3 fair values

Level 1

The fair value of financial instruments that are traded in an active market (for example, listed equities) is determined using the last traded quoted price in an active market. As at 31 December 2023, the Fund had \$95,790,986 (30 June 2023: \$65,347,695) financial assets at fair value through profit or loss included in level 1. As at 31 December 2023, the Fund also had \$3,487,509 (30 June 2023: \$nil) financial liabilities at fair value through profit or loss included in level 1.

Level 2

The fair value of financial instruments that are not traded in an active market (for example, unlisted investments) is determined using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. As at 31 December 2023, the Fund had \$1,099,358,091 (30 June 2023: \$778,150,836) financial instruments in level 2. As at 31 December 2023, the Fund also had \$35,232 (30 June 2023: \$nil) financial liabilities at fair value through profit or loss included in level 2.

Level 3

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. As at 31 December 2023, the Fund had \$nil (30 June 2023: \$nil) financial assets at fair value through profit or loss included in level 3.

Disclosed fair values

For all financial instruments other than those measured at fair value, their carrying value approximates fair value.

Independent Auditor's Review Report to the Unitholders of Realm Short Term Income Fund

Conclusion

We have reviewed the half-year financial report of Realm Short Term Income Fund (the Fund), which comprises the statement of financial position as at 31 December 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of material accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Realm Short Term Income Fund does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Fund's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis of Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the Directors for the Financial Report

The directors of the Responsible Entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
